

Fremont / Newark
YMCA

Building A Great Community! *Build a playhouse for a great cause.*

The Fremont/Newark YMCA is seeking builders and sponsors for the YMCA Kid City project at the Fremont Festival of the Arts. These 8' X 8' playhouses will be auctioned and raffled off to benefit kids and families attending programs of the Fremont/Newark YMCA.

Kid City is an interactive, kid friendly place at the Festival of the Arts where parents and children can enjoy a family atmosphere. We want to set the "Kid City" tone by placing playhouses throughout Kid City.

Materials costs vary between \$1800-\$3000, we need sponsors and builders. Please contact David Hembree at 510-279-2909 or e-mail to dhembree@ymcaeastbay.org for more information.

*Firehouse # 8 built last year by
JR Griffin Construction*

YMCA Kid City Playhouses

As part of a partnership with the Fremont Chamber of Commerce, the YMCA will operate Kid City at the Fremont Festival of the Arts.

The Playhouses will provide a nice back drop to the Kid City project and proceeds from the on-line auction and raffle will provide "camperships" to send local children to YMCA Summer Camp.

Ideas for playhouses include:

- The Filling Station
- The Hospital/Drs. Office
- The Grocery Store
- The Library
- The Bank
- A Castle, or Fort
